

# Lash Foam Cleanser Kit Instructions

## Content:

- . Empty 60ml Lash Shampoo Pump Bottle
- . 10 Sachets of Lash Shampoo Concentrate
- . Cleanser Brush
- . Lash Spoolie

## Instructions:

### 1. Prepare the Solution:

- o Empty the contents of one sachet of Lash Shampoo Concentrate into the 60ml pump bottle.
- o Add 50ml of water to the bottle.
- o Shake vigorously for 30 seconds to ensure thorough mixing.

### 2. Application:

- o Dispense one pump of the mixed foam cleanser onto your hand.
- o Gently massage the foam onto your eyelashes and eyelids.
- o Use the provided cleanser brush to clean delicately and thoroughly.

### 3. Rinse and Dry:

- o Rinse off the cleanser with water.
- o Pat your lashes and eyelids dry with a clean towel.
- o Optionally, use a fan to speed up the drying process.

### 4. Final Step:

- o Brush through your lashes using the lash spoolie.

## Caution:

- The Eyelash Cleanser Concentrate must be mixed with water according to the instructions; it cannot be used directly.
- Keep the solution out of reach of children.
- Avoid applying it to open wounds, blemishes, inflamed or swollen skin, sunburned areas, or excessively dry skin.
